

**Left:** Complex of buildings bordering the Erie Canal are The International Heater Company, Carton Plant.

Carton Ave is a cobblestoned road. Numerous buildings remain today, see next page.

**Above, Historical 1899 Map:** Downtown Utica; canals, historic buildings, streets and allies. Plenty remain! We say restore, reuse, and preserve with creative "green" in-fill. Make a better downtown by protecting 40+ businesses! Visit: [BetterUticaDowntown.com](http://BetterUticaDowntown.com)

**Below, MV500 Hospital:** Secret 2015 concept was discovered, a huge hospital would wipe-out 40+ businesses, buildings, and streets.
